

PLAN YOUR CASTLE TRIP OR USEFUL TIPS IF YOU WANT TO ENJOY YOUR CASTLE HOLIDAYS

Visiting castles can be very enjoyable especially if you plan your castle trip. I think it's worth doing, even in details. So use the following tips if you want to enjoy your castle holidays:

- There are so many castles to see. Choose the ones that you would like to see the most during your holidays. You can spend a day or two in each castle and examine everything thoroughly.
- Find out if any of the castles you are going to visit have tour guides, or not. Of course you can research many things online, but tour guides can sometimes provide extra information, or provide a different view that can be very interesting.
- It's very good to read some information about the castles before the trip in order to pay attention to some details and ask additional questions to the guide.
- You can do online research about every single castle before the trip. You can even find out if there are any discounts on entry prices for the castles you will go to or if there are any special events in these castles such as the knights' tournaments. This information is very useful and necessary if you want to make your castle trip unforgettable. There are even some special days when the tickets to the castles are free. It can save your money.
- Don't forget to plan all of the travel documents, which you could need before you go. Paperwork is an obligatory part of a lucky trip. When you go abroad don't forget about getting visas. Don't spoil your castle travelling. Be attentive with the documents during your trip.
- Take care of your money before you go, whether it's cash, prepaid cards, or credit cards make sure you have enough money for the whole trip. Don't forget to buy some souvenirs in each castle to have good memories about your trip. Many people buy magnets and cups with the pictures of the castles.
- Consult the Internet about the weather forecast for the days of your trip. Of course it's necessary to take an umbrella in case of rainy weather especially if you are going to visit the ruins of the castles.
- It's necessary to take care of comfortable shoes and clothes if you want to enjoy the trip because many castles are situated on the hills and surrounded by large parks.
- Take a good camera with you to make your trip unforgettable. You can download all your best photos from the trip to the Internet and share them with your friends. It can even help you not to lose your photos in your computer. It happened so with me once after coming back from Ireland. I had problems with my computer and unfortunately I lost my photos from the trip. I was very upset.
- Sometimes there's a good opportunity in the castles to try some medieval clothes on. Don't lose this chance. Just ask a guide and don't forget to make some photos.
- Take necessary medicines with you just in case.
- When you go abroad don't forget about getting health and travel insurance before you go.
- Book your travel and accommodation before the trip. Sometimes there are good hotels near the castles in Belarus and Ireland. There are some castle hotels in Ireland. Most of them are luxury and expensive, but you can find a cheaper castle hotel just right for your dreams.

So I advise you to visit small castles and enormous castles, ruined castles, and those that are still been used. You will fall in love with all this castles and will never forget your wonderful castle trip. If you are reading my tips it means that you really want and deserve a perfect castle trip. Welcome to the magical world of castles!
